Certain information, such as hours of operation, types of frames/products carried, is provided directly by providers and is not independently confirmed by EyeMed.

Eye exams are available by Independent Doctors of Optometry at or next to LensCrafters, Pearle Vision, Sears Optical and Target Optical in most states. Doctor in some states are employed by the location. In California, optometrists are not employed by LensCrafters, Sears Optical or Target Optical, which do not provide eye exams. For LensCrafters, eye exams are available from optometrists employed by EYEEEXAM of California, a licensed vision health service plan. For Sears Optical and Target Optical, eye exams are available from self-employed doctors who lease space inside the store.
