Child Find

Child Find is a special education service provided by the Terrell County Public School System for identifying children from ages three through twenty-one who are suspected of having an educational disability and who may be eligible for special education and related services. Child Find referrals are made by calling 229-995-6225 or 229-995-6226.

What is the Process?

- It begins with a review or screening of available information about the child.
- When screening indicates the possibility of an educational disability, the child is evaluated in relevant areas.
- When results indicate that a child is disabled and in need of special education services, an individualized plan is developed. This will be either an Individualized Education Plan (IEP) or Individualized Service Plan (ISP), depending on the age and residency of the child.

Who is eligible for Child Find services?

- Preschool children residing in Terrell County who are not enrolled in a preschool program.
- Children ages 3-21 attending an approved private school located in Terrell County, or homeschooled students.
